abustamante	Surface Casing Test details missing in section #13. Please revise and re-submit.	3/1/2021
schapman01	I've added WOC time is 8 hours to work information and in the casing tab--am I missing something else?	3/1/2021
abustamante	WOC for 8 hours is not describing test casing details. Please read NMAC rule: 19.15.16.10, I,1 regarding casing test duration details. Please revise and re-submit. Call me if need to.	3/1/2021
schapman01	Added casing pressure and time in work description since there isn't a blank in the casing details tab for this. I usually put that information in the next casing string sundry before we test BOP but I'll correct this going forward. Hopefully this correct the issue.	3/1/2021
