13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Hilcorp requests permission to set a below ground P&A marker for the subject well, as requested by BLM inspector Emmanuel Adeboye, as the current above ground marker is located in a wash.

*** NMOCD- File a subsequent report with a C-102 using a current survey and a photo of the marker in place with the required information welded on.

14. I hereby certify that the foregoing is true and correct.
