Acre Spacing Revision

Kaiser Francis Oil Company requests to increase spacing from 480 acres to 960 acres for the Bell Lake Unit South 209H, 30-025-46589. The increase in spacing is requested in order to combine the 480's on both sides of the 209H well path. The well path meandered into each 480 spacing units, and because the ownership in each 480 is the same, combining both into a 960 dedication area will not change the ownership.
