13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Summit Midstream Permian, LLC (Summit) received notification from NMOCD, in early 2022, that a Braden-head Test (BHT) and Mechanical Integrity Test (MIT) is required for the I'M YOUR HACKBERRY STATE SWD WELL NO. 1 (API: 30-015-45321). We are providing this response to inform the Agency that we are unable to perform these tests as **the subject well was never drilled.**

The well was originally permitted by Owl SWD Operating, LLC, and was issued authorization to inject. The deadline for injection to commence into the well, pursuant to Order SWD-1611, was January 19, 2019. As this deadline has passed and the well was never drilled, it is not possible to complete the integrity tests requested.
