To Whom It May Concern:

Mack Energy Corporation ("MEC"), as Operator, plugged the three referenced Tiger State wells. Per your request as surface owner, MEC agrees to leave the location and the equipment for these wells in place for your use. MEC contracted TNT Backhoe Services to bring these three locations up to the Runyan/Martin 4 Mile Ranch approval per your request. This work has been completed and the invoices were paid on January 26, 2021. Therefore, MEC will not be performing complete reclamation of these locations nor will they be held responsible for any reclamation in the future.

If this reflects your understanding of our agreement, please sign in the space provided below and return one original of this letter to me at your earliest convenience, the other is for your records. Please don't hesitate to contact me by phone or by email at [morganbuckles@mec.com](mailto:morganbuckles@mec.com) should you have any questions.

Sincerely,
