Notify OCD 24 hrs. prior to any work done

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Spur respectfully requests to put this well in TA status while we await an approved injection order. Once we have an approved injection order, we plan to work the well over and bring it back online.

Please find proposed TA procedure and WBDs attached for your use.

TA status may be granted after a successful MIT test is performed. Contact the OCD to schedule the test so it may be witnessed.
