CONDITIONS OF APPROVAL

Sundry Notice of Intent ID # 2777669 **Request to Extend Temporary Abandonment**

The request to extend the temporary abandonment (TA) is approved with the following conditions:

1. No well shall be TA without prior approval from the authorized officer or representative.
2. This approval is granted for a 12-month period until April 28, 2025. Before this approval expires one of the following shall be submitted:
 - a. A sundry notice (Notice of Intent – Temporary Abandonment) to keep the well in TA status with engineering and/or economic justification for up another 12-month period. Provide details on the future beneficial use for the well with proposed dates.
 - b. A sundry notice (Notification – Resume Production) with resumption of production reported within 5 business days after the well was returned to production.
 - c. A sundry notice (Notice of Intent – Plug and Abandonment) to plug and abandon (P&A) the well. While not necessary to P&A before April 28, 2025, a sundry notice must be submitted prior to that date. The P&A will then have to occur within one year of the approval of the NOI.
