OPER.	ATOR CERT	TIFICATIONS				SURVE	YOR CERTIF	FICATIONS				
I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief, and, if the well is a vertical or directional well, that this organization either owns a working interest or unleased mineral interest in the land including the proposed bottom hole location or has a right to drill this well at this location pursuant to a contract with an owner of a working interest or unleased mineral interest, or to a voluntary pooling agreement or a compulsory pooling order heretofore entered by the division.				surveys i	I hereby certify that the well location shows on this plet was plotted from the field notes of actual surveys made by me or under my supervision, and that the same is true and correct to the best of my belief.    A							
If this well is a horizontal well, I further certify that this organization has received the consent of at least one lessee or owner of a working interest or unleased mineral interest in each tract (in the target pool or formation) in which any part of the well's completed interval will be located or obtained a compulsory pooling order from the division.					+	09-12-24 W						

Email Address Note: No allowable will be assigned to this completion until all interest have been consolidated or a non-standard unit has been approved by the division.
