Ref: Conditions of Approval
US Well Number: 3004534154
Sundry ID: 2837002

CONDITIONS OF APPROVAL

The Code of Federal Regulation, 43CFR3162.3-4(a) requires that any well that is not capable of producing in paying quantities must be promptly plugged and abandoned, after approval from BLM. Before expiration of this NOI, Hilcorp Energy Company must exercise one of the following options:

- Return the well to production, in paying quantities. Paying quantities being defined as: production of oil or gas of sufficient value to exceed direct operating costs and the costs of lease rentals, or minimum royalty, on a sustained basis.
- If you believe the well capable of producing in paying quantities but wish to leave the well as TA, you must submit supporting documentation and a time frame for returning the well to production.
- Submit a Sundry Notice of Intent to Abandon (NOIA) with plugging procedures for the well.

All previous Conditions of Approval remain in effect.

If you have any questions, please contact Joe Killins at jkillins@blm.gov.
