## CONDITIONS OF APPROVAL

### Sundry Notice of Intent ID # 2849750 Request to Extend Temporary Abandonment

---

**Operator:** LOGOS Operating LLC  
**Lease:** NMSF 078887  
**Well(s):** Rosa Unit 296, API # 30-039-24896  
**Location:** NWNW Sec 12 T31N R4W (Rio Arriba County, NM)

The request to extend the temporary abandonment (TA) is approved with the following conditions:

1. No well shall be TA without prior approval from the authorized officer or representative.
2. This approval is granted for a 12-month period until May 1, 2026. Before this approval expires one of the following shall be submitted:
  - a. A sundry notice (Notice of Intent – Temporary Abandonment) to keep the well in TA status with engineering and/or economic justification for up to another 12-month period. Provide actual details and a timeline as to what LOGOS Operating LLC is planning for this well (when might the well be returned to production, what economic conditions would be necessary, etc.). Dates do not have to be exact but should be reasonable.
  - b. A sundry notice (Notification – Resume Production) within 5 business days after the well has been returned to production. Note the day the well was returned to production and produced volumes if measured.
  - c. A sundry notice (Notice of Intent – Plug and Abandonment) to plug and abandon (P&A) the well. While not necessary to P&A before May 1, 2026, a sundry notice must be submitted prior to that date. The P&A will then have to occur within one year of the approval of the NOI.
3. This agency reserves the right to modify or rescind approval. A plug or produce order may still be issued at the discretion of the authorized officer.

4. The lease is currently held by production from other wells. Should production from the lease cease, the BLM may require this well be returned to production or P&A, regardless of the amount of time the TA status is still approved for.

For questions concerning this matter, please contact Matthew Kade, Petroleum Engineer at the BLM Farmington Field Office, at (505) 564-7736 or [mkade@blm.gov](mailto:mkade@blm.gov).
