## CONDITIONS OF APPROVAL

### Sundry Notice of Intent ID # 2850402 Request to Extend Temporary Abandonment Status

---

<b>Operator:</b>	DJR Operating LLC
<b>Lease:</b>	NMNM12374
<b>Agreement:</b>	NMNM132981A
<b>Well(s):</b>	Nageezi Unit 221H, API # 30-045-35820
<b>Location:</b>	NWSW Sec 27 T24N R9W (San Juan County, NM)

The request to extend the temporary abandonment (TA) is approved with the following conditions:

1. No well shall be TA without prior approval from the authorized officer or representative.
2. This approval is granted for a 12-month period until May 9, 2026 under 43 CFR 3162.3-4(d)(3)(iii). Before this approval expires one of the following shall be submitted:
  - a. A sundry notice (Notice of Intent – Temporary Abandonment) to keep the well in TA status with engineering and/or economic justification for up to another 12-month period. Continue to provide actual details as to what DJR Operating is planning for this well (when might DJR cleanout the wellbore, when could the well be returned to production in the future, what economic conditions are necessary, etc.). Dates do not have to be exact but should be reasonable. Provide details on progress made over the past year.
  - b. A sundry notice (Notification – Resume Production) within 5 business days after the well has been returned to production. Note the day the well was returned to production and produced volumes if measured.
  - c. A sundry notice (Notice of Intent – Plug and Abandonment) to plug and abandon (P&A) the well. While not necessary to P&A before May 9, 2026, a sundry notice must be submitted prior to that date. The P&A will then have to occur within one year of the approval of the NOI.
3. This agency reserves the right to modify or rescind approval. A plug or produce order may still be issued at the discretion of the authorized officer.

4. The lease is currently held by production from other wells. Should production from the lease cease, the BLM may require this well be returned to production or P&A, regardless of the amount of time the TA status is still approved for.
