Dear Mr. Mears:

We are in receipt of your letter of December 31, 2015 together with the non-commercial determination data for the above referenced well.

The Bureau of Land Management advised this office that they concur with your determination that the PLU CVX JV Big Sinks #023H is not capable of producing unitized substances in paying quantities from the Bone Spring 2 Shale formation and is to be produced on a lease basis.

Please be advised that the Commissioner of Public Lands concurs with yours and the Bureau of Land Management's determinations that the PLU CVX JV Big Sinks #023H is a non-commercial Bone Spring 2 Shale formation well and should be produced on a lease or communitization basis.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Respectfully,

AUBREY DUNN
