Thompson Engineering & Production Corp.
7415 East Main
Farmington, NM 87402

Dear Mr. Thompson:

Enclosed please find two copies of the Designation of Successor of Operator for the Communitization Agreements NMNM80144.

Under the terms of the Designation of Successor Operator, Thompson Engineering & Production Corporation agrees to fulfill the duties and obligations as operator of the communitized area; pursuant to the terms and conditions of the referenced communitization agreement. Thompson Engineering & Production Corporation has demonstrated sufficient bonding including but not limited to BLM Statewide Bond Number NM2292.

CA number NMNM80144 as assigned above, must be posted on the well and facility signs for the Federal No. 100, Federal No. 100A, and Federal No. 100B wells. The sign shall include the well name and number, Operator name, lease serial number, Communitization number, the quarter-quarter section, section, township and range, county, and state. (43 CFR 3162.6).

The instrument is hereby accepted for the record purposes effective July 1, 2017. In accepting this designation, the Authorized Officer neither warrants nor certifies that the designated party has obtained all required approvals that would entitle it to conduct operations.

Under provisions of 43 CFR 3165.3, you may request an Administrative Review of the orders described above. Such request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management (NM-93000), P.O. Box 27115, Santa Fe, New Mexico 87502-0015. Such requests shall not result in a suspension of the order(s) unless the reviewing official so
