Re: <u>Case No. 14583</u>: Application of Farleigh Oil Properties for a compliance order, against SWEPI LP and Shell Exploration and Production Company, Guadalupe County, New Mexico.

Dear Ms. MacQuesten:

Pursuant to the Division's Response to Shell's Motion to Dismiss in the above referenced matter, enclosed please find corrected C-103s (and in the case of the Webb CD-1, a corrected C-105) for the subject wells. It is my understanding that these corrected filings constitutes the last step that the Division believes is necessary to clarify the record before the case is dismissed. Original copies of these corrected filings have been provided to Ed Martin, District Supervisor, for approval and filing.

Thank you for your attention to this matter.

Sincerely,

Michael H. Feldewert
