Re: GPS Federal Well No. 1

Dear Mr. McClanahan:

We have received your recent application for an amendment to Division Order No. DHC-78, which order authorized the downhole commingling of Blinebry and Wantz Abo Pool production within the wellbore of the GPS Federal Well No. 1 located in Section 6, Township 22 South, Range 38 East, NMPM, Lea County, New Mexico. It is our understanding that you now wish to also commingle the Drinkard zone within the wellbore. Please be advised that the application cannot be approved as submitted. For your information, I am enclosing a copy of Division Rule No. 303 (C)(2) which outlines the information that is required when filing such an application. Please submit the required information at which time your application can be properly evaluated. If you should have any questions please contact me at (505) 827-5800.

Sincerely,

A handwritten signature in cursive script, reading "David Catanach".

David Catanach
Engineer
