You previously approved our application for surface commingling on our Fee MA-B Well Nos. 4, 5, and 6, completed in the Maljamar Grayburg San Andres Pool and the Corbin Delaware Pool.

We've recently completed our Fee MA-B Well No. 7 Well in the Corbin Bone Spring Pool and are applying to include this well and the Corbin Bone Spring formation.

All of the working, royalty, and overriding royalty interests in all of our Fee MA-B Wells are common from the surface to 10,103 feet below the surface and all wells are completed above 10,103 feet.

Call me at 505-748-1288 or contact me via Email at [rlanning@mackenergycorp.com](mailto:rlanning@mackenergycorp.com) if you have any questions.
