RE: Request for Off-Lease Storage and Measurement B. Hardin Well No. 1 (30-025-36934) UL D, Section 19, T-18-S, R-38-E Lea County, NM

Gentlemen:

OXY USA WTP Limited Partnership respectfully requests approval of Off-Lease Storage and Measurement for the newly drilled and completed B. Hardin Well No. 1. Production from the B. Hardin No. 1 will be piped to Oxy's Hobbs Deep 'A' facility in adjacent Section 13, during which time the Hobbs Deep 'A' Well No. 1 (30-025-36046) will be shut-in for workover operations scheduled to commence in approximately 3 weeks. There will be no commingling of production from the two wells.

In support of this request, attached find Form C-107-B, a schematic of the Hobbs Deep 'A' facility (located in the SE/4 Sec. 13, T-18-S, R-37-E), a plat showing the location of the B. Hardin No. 1 and the Hobbs Deep 'A' facility, and Form C-102 for the B. Hardin No. 1.

Your favorable consideration of this request will be appreciated. If you have any questions or require additional information, please call me at (713) 366-5158.

Very truly yours,

Mark Stephen
