Richard, we had a surface commingle approved last year for the N Ind Flats 24 Fed #1 & the BEU #74. The BLM brought to my attention yesterday (while they were in the process of approving the N Ind Flats 24 Fed #10 & the BEU #74) that the application should have included all 3 instead of just the "newer" commingled items. I am going to redo the BLM paperwork, but I did not know if this would affect the OCD. Do I need to redo the application & include all 3 instead of just the #10 & #74 on the one?? Let me know what I need to do in this case. Thank you. Valerie 432-683-2277.
