Remediation Plan (1R428-73) Further Information Required**

Dear Mr. Conder:

The New Mexico Oil Conservation Division (OCD) has received Rice Operating Company's (ROC) report and corrective action plan for the above-referenced site (dated May 16, 2011). The Plan indicates that additional information is required:

ROC must determine additional infiltration controls for the site. Please submit to the OCD an addendum to the corrective action plan, including the additional infiltration controls, within 30 days.

If you have any questions regarding this matter, please contact me at 505-476-3489.
