ADMINISTRATIVE SURFACE COMMINGLING

Administrative Order PC-1259
Administrative Application Reference No. pAXK1316851158
July 31, 2013

Apache Corp.
303 Veterans Airpark Lane
Midland, Texas 79705
Attention: Reesa Holland

Apache Corp., ("Apache") is hereby authorized to surface commingle oil and gas from the following Pools:

Blinebry Oil & Gas (Oil) Pool (6660),
Tubb Oil & Gas (Oil) Pool (60240),
Drinkard Pool (19190), and
Wantz Abo Pool (62700)

And from the following wells located on the State PA Lease (Property Code 26487) within Section 18 of Township 22 South, Range 37 East, NMPM, Lea County, New Mexico.

Well Number	API Number	Unit letter
Well No. 7	30-025-40540	N
Well No. 8	30-025-40541	N
Well No. 9	30-025-40543	K

The commingled oil and gas production from the wells detailed above shall be measured with periodic well tests and sold on lease. It is our understanding that all interests are identically owned.

This installation shall be installed and operated in accordance with the applicable Division Rules and Regulations. The Operator shall notify the transporter of this commingling authority and the Hobbs district office of the Division prior to implementation of commingling operations. This approval is subject to like approval by the New Mexico State Land Office.

JAMI BAILEY
Division Director
