Reference is made to your application received on September 17, 2013.

You have requested approval of the unorthodox carbon dioxide gas well location described above, in the referenced pool or formation. Pursuant to Order No. R-7556, this location is governed by statewide Rule 19.15.15.10.C NMAC, which provides for 160-acre units, with wells located at least 660 feet from a unit outer boundary. This location is less than 660 feet from a unit boundary.

Your application has been duly filed under the provisions of Division Rules 15.13 [19.15.15.13 NMAC] and 4.12.A(2) [19.15.4.12.A(2) NMAC].

It is our understanding that you are seeking this location for engineering reasons.

It is also understood that notice of this application to offsetting operators or owners is unnecessary due to common ownership.

Pursuant to the authority conferred by Division Rule 15.13.B, the above-described unorthodox location is hereby approved.

This approval is subject to your being in compliance with all other applicable Division rules, including, but not limited to Division Rule 5.9 [19.15.15.9 NMAC].

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.

Sincerely,

A handwritten signature in black ink, appearing to read "Jami Bailey". The signature is fluid and cursive, with a large initial "J" and a stylized "B".
