Re: Additional Documents
Poker Lake Unit 261 Battery

Mr. Ezeanyim:

Per our phone conversation, please find copies of the documents previously marked as "Confidential" in BOPCO, LP's application for use of this common tank battery. Other than the list of interest owners, these were the only documents I found marked "Confidential" in the application.

As we discussed, it would be most appreciated if the interest owner address list could remain "Confidential" out of respect for the privacy of our owners.

If you have any questions or need additional information, please call me at 432/683-2277.

Sincerely,

Tracie J Cherry

Crude oil sold in New Mexico that is not high sulphur content (sour) is sold as "deemed 40 degrees". This designation indicates all crude oil, regardless of gravity, will be estimated to be 40 degrees and payment will be made based on that estimation.

Gas sold at Enterprise sales meter is based on the Index price of either Gas Daily Midpoint or IFERC FOM for Permian basin-El Paso. Price for MMBTU is the combined BTU value at the sales meter. There are no deductions based on quality or sulfur content.

RE: Application for Surface Commingling and Off Lease Sales and Measurement
Poker Lake Unit 261 Battery
Eddy County, New Mexico

Gentlemen:

This letter is to notify you, as interest owner in one (or more) of the wells on the enclosed list, that BOPCO, L.P. is petitioning the Bureau of Land Management, New Mexico Oil Conservation Division and New Mexico State Land Office for permission to commingle oil production at a common tank battery, measure and sell the production off lease.

Due to the large number of documents required to make this application, only the Sundry Notice, Well List and map showing well locations and lease numbers are enclosed with this notification. If you have any questions or would like copies of all the additional attachments please contact me.

Any objections or requests for hearing must be filed with the Oil Conservation Division, 1220 South St Frances Dr., Santa Fe, New Mexico 87505 within 20 days of this letter's date.

Sincerely,
