RE: **Expired Disposal Permit SWD-1413: Second Extension of Deadline**  
Burton Flat Deep Unit Well No. 2 (API 30-015-41982)  
330' FSL, 2360' FEL; Unit 0, Sec 27, T20S, R28E, NMPM, Eddy County, New Mexico  
Order Date: April 11, 2013  
First Extension Deadline: April 11, 2016  
Second Extension Deadline: April 11, 2017  
Injection into the Devonian formation; approved interval: 11700 feet to 13500 feet

Dear Ms. Good,

Reference is made to your second request on behalf of Devon Energy Production Company, LP for a one-year extension of the April 11, 2016, deadline to commence injection into the above named well (attached).

The OCD disposal permit number SWD-1413 expired effective April 11, 2017 which coincides with the date of OCD's second extension deadline by letter dated March 1, 2016 (attached). Any further use of this well for disposal will be in violation of OCD rules, the United States Safe Drinking Water Act and the Environmental Protection Agency's Underground Injection Control Program.

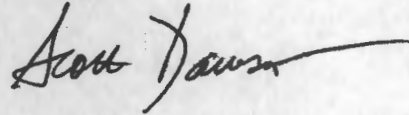

Devon Energy Production Company, LP must immediately ensure this well is shut-in and disconnected from incoming disposal sources.

If you wish to again use this well for disposal, you must apply for a new disposal permit pursuant to Division Rule 19.15.26.8 NMAC after proper notice using form C-108 either through the administrative process or an examiner hearing. The well must not again be used for disposal until such permit has been approved, all conditions of approval completed, the well passes a new Mechanical Integrity Test, and the District office of the Division has approved a new form C-104.

Please also be aware that pursuant to Division Rule 19.15.25.8 NMAC, or any applicable Agreed Compliance Order, this well has a limited time in which it must be returned to service, temporarily abandoned, or plugged and abandoned. For deadlines, please refer to said rule or agreement.

If you have any questions regarding the procedure to obtain a new disposal permit for this well, please contact William Jones at (505) 476-3477 or Phillip Goetze at (505) 476-3466. If you have questions as to C-115 reporting, inactive well status, or other compliance issues, contact Mr. Daniel Sanchez at (505) 476-3493.

Sincerely,

Scott Dawson
