Yes, leased 50/50 by Chevron USA and Devon Energy Prod Co. LP, for both tracts, as follows:

BLM lease NMNM 114988 covers entirety of sections 1 & 12

BLM lease NMNM 114990 covers sections 6 & 7, except for private tract in N/2 of NE/4 of sect. 6, which is leased by Devon Energy Prod Co.

Thanks,

Gary Fisher

What is the status of the minerals-are they leased?

Mr. McMillan,

Those tracts are Private owned surface, but BLM owned minerals. I have attached a revised map to help clarify. Sorry for the confusion. We'll mark the private surface owner tracts more clearly going forward.

Thanks,

Gary Fisher

Sean:

Can you clarify the affected parties in the SE/4 and SW/4 NE/4 of Section 8 and the S/2 NE/4 and SE/4 of Section 12. Your tract maps shows private, but I cannot tell who the affected parties are for the Deluge Federal SWD Well No. 1.
