**ADMINISTRATIVE CENTRAL TANK BATTERY ORDER**

Administrative Order CTB-907

August 13, 2019

**EOG RESOURCES INC.**  
Attention: Ms. Sarah Mitchell

EOG Resources Inc. (OGRID 7377) is hereby authorized to surface commingle oil and gas production and off-lease measure from diversely owned leases and wells identified in Attachment A and made part of this order. These wells and leases produce from Wildcat; Upper Wolfcamp (Oil) Pool (Pool code 98180) and are located on State leases located in Section 36, Township 24 South, Range 32 East, Lea County, New Mexico:

The commingled oil and gas production from the wells detailed above shall be measured and sold at the Python 36 State Central Tank Battery (CTB), located in Units G and J, Section 36, Township 24 South, Range 32 East, NMPM, Lea County, New Mexico.

Production from the subject wells shall be determined as follows:

The oil and gas production from each of the diversely-owned leases shall be measured with allocation meters.

The oil and gas production from each well will flow into a dedicated 3-phase separator. The production stream will be separated into 3 independent streams by the separator and each stream will be measured individually after it exits the separator, before commingling.

The allocation meters shall be calibrated quarterly in accordance with Rule 19.15.12.10.C (2) NMAC.

For future additions of wells and leases to this commingling operation, notice shall only be given to those interest owners in the wells and leases to be added, in accordance with Division Rule 19.15.12.10 C (4) (g) NMAC.

Subsequent wells within leases approved by this order may be added to this administrative surface commingle application with a Sundry notice to the Engineering Bureau.

This installation shall be installed and operated in accordance with the applicable Division Rules. It is the responsibility of the producer to notify the transporter of this commingling authority.

**This approval is subject to like approval from New Mexico State Land Office before commencing commingling operations.**

The operator shall notify the Hobbs District office of the Division prior to implementation of the commingling operations.

---
