Subject: Brininstool SWD No. 4 Authorization to Inject - Extension

To Whom It May Concern:

Attached for your review is the approved Order and Form C-108, Application for Authorization to Inject, as originally submitted, for OWL SWD Operating, LLC's Brininstool SWD No. 4 well. OWL SWD Operating, LLC has applied for an extension for this order and therefore is required to notice any new surface land owner on which the well is located and new leasehold operator within a one-mile radius of the proposed well location from when the application was originally approved, as well as the BLM as mineral owner.

According to the New Mexico Oil Conservation Division, surface owners or offset operators must file any objections or requests for hearing of administrative applications within 15 days from the date in which this application was mailed to them.

Any questions should be directed towards OWL SWD Operating, LLC's agent, Lonquist & Co., LLC.
