Re: Request for Extension of Solaris Water Midstream, LLC Injection Permit
Breckenridge State SWD #1 Administrative Order SWD-1883

Ms. Sandoval:

Solaris Water Midstream is requesting an extension on our Injection Permit (SWD-1883) Breckenridge State SWD #1 in Lea Co., NM. This permit is due to expire on December 18, 2020. It is difficult for us to provide an exact plan for when we would spud this well for various reasons, including the ongoing Covid-19 situation.

The AOR does include new affected parties that were not addressed in the original application, Dion Hartman and Quail Ranch, LLC. Both have been notified via certified mail. The surface owner remains the same as in the original application.

I have enclosed a copy of the approved permit for your convenience. If you need additional information I can be contacted at whitney.mckee@solarismidstream.com or 432-203-9020.

Best regards,
