**Subject:** Quijote 2 State Com Commingle Application Notice

Good Afternoon Mr. Williams,

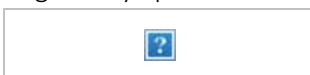

My name is Lisa Trascher and I file the commingle applications for EOG Resources. I was looking at our Quijote 2 State Com Commingle Application and noticed that on November 16, 2020 at 5:06 there was an attempted delivery "no access to delivery location", and mentions "we will redeliver on the next business day". Mr. McClure at the OCD mentioned we need confirmation that you have received this application packet, to approve our application. Can you please confirm that you either received it through the mail or will receive it through this email, where I have attached.

I appreciate your help and hope you have a great day.

Thank you,

**Lisa Trascher**
