---

NMOCD has issued Administrative Order IPI-528 which authorizes Forty Acres Energy, LLC to increase the max allowable surface pressure of the West Eumont Unit No. 219 well (30-025-46679) to 1504 psi while the down hole configuration stays consistent with that portrayed by the application. The administrative order is attached to this email and can also be found online at OCD Imaging.

Please review the content of the order to ensure that you are familiar with the requirements and any conditions of approval.
