Re: Chaparral 14 Federal Com #1 (API: 30-015-34038) P&A Postpone Request

To whom it concerns:

COG Operating LLC is the operator of the Chaparral 14 Federal Com #1 (API: 30-015-34038), located in Eddy County. The OCD has imposed a plug and abandon deadline of July 1, 2022. COG Operating LLC respectfully requests the plug and abandonment deadline be postponed ninety (90) days to allow time to work a possible trade with Larry Scott at Lynx Petroleum Consultants Inc.

Should you have any questions, please do not hesitate to contact Jeff Stout at [jeff.s.stout@conocophillips.com](mailto:jeff.s.stout@conocophillips.com) or (432) 818-1372.

Sincerely,

Rob,

It looks like this well is under an ACOI, but the attached letter states that the Division is requiring COG to plug the well by 7/1/2022. Do you know what the story is here and whether this letter is for you or if the plugging requirement originated with engineering or perhaps legal?
