- 18. A Well shall be classified as and shall remain in "shut in" status within the OCD data management system for the duration of this Order regardless of its active or inactive status.
- 19. If Operator fails to comply with this Order, it shall pay a stipulated penalty of \$250 for each day on which the failure to comply occurs.
- 20. If Operator fails to comply with this Order or the Well poses an imminent threat to the public health or environment, in addition to the stipulated penalties specified above, OCD may apply for an order to plug a Well and to forfeit the financial assurance for the Well.
- 21. OCD reserves the right to impose a sanction for any alleged violation not addressed in this Order.
