Mike,

Your request to install liner and backfill at this site is approved. It is OCD's understanding that the site was excavated up to the closed (legacy/historic) drilling pit.

Dear Mr. Mike Bratcher,

Talon/LPE is sending you the analytical results for the soil samples collected on 9/20/2011 from the excavated area located at the Conoco 7 State No. 12. Based on the analytical results Quantum Resources Management, LLC is requesting permission to place the 20 Mil. liner into the bottom of the excavated area and to start backfilling with new soil transported to the location.

Sincerely,

Mike Stubblefield  
Talon/LPE Project Manager
