Mike,

Thank you for the quick response for this release. I will get a Final C-141 together and submitted to your office.

Thank you,

Amber Cannon

Subject: Williams 8 Battery Release

Amber,

Thank you for meeting with me to discuss remedial options for the 9/16/2011 release at this site (2RP-907). Having discussed the site with Glenn VonGonten and the Santa Fe environmental group, OCD will approve closure for this release. Yates Petroleum will continue to work with the Santa Fe Environmental Bureau on the abatement plan that is in place.
