Mr. Brooks:

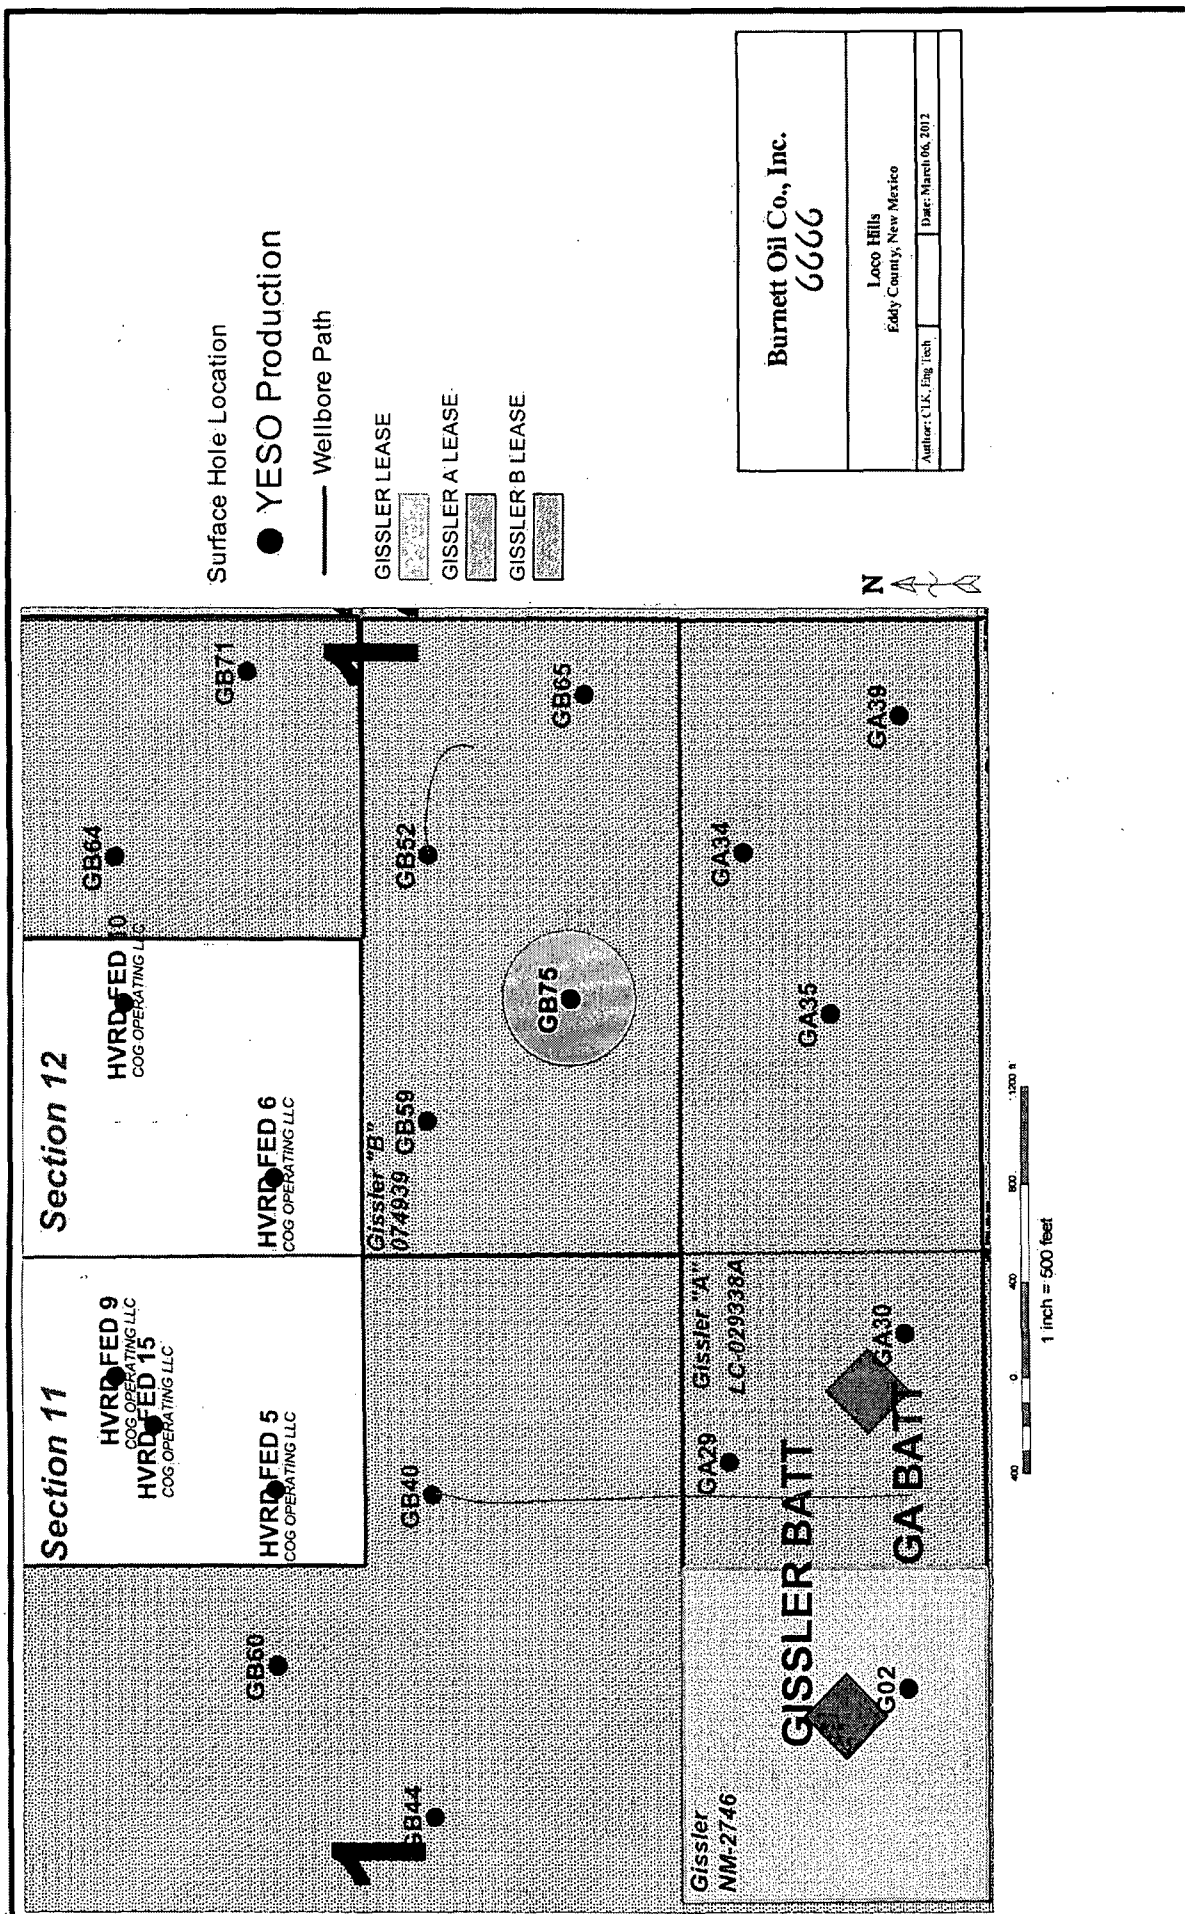

Burnett Oil Co., Inc. respectfully requests an exception without notice and hearing to NMOCD Rule 104 for the Gissler B #75 (Cedar Lake Glorieta Yeso 96831).

The original location was moved by the BLM due to sand dunes. This location is only 60 feet unorthodox at the surface and only affects Burnett and no other lease holders. I have attached a map showing the Burnett lease in this area as well as a copy of our C-102.

Please contact me if you have any questions or need any additional information.

Thank you,

Dear Ms. Gravis

In order to determine if notice is required for this application, I need to know if Burnett owns 100% of the working interest in the subject lease, and, if not, if working interest ownership is identical between Units L and M of Section 12-17S-30E.

Sincerely
