Dear Mr. Stice:

We have received your application dated July 11, 1994, for commingling of the Pictured Cliffs and Fruitland Coal formations in the No. 13 Reid 1650' FSL and 990' FEL of Sec. 18, T. 28 N., R. 9 W., Federal Lease No. NM-01772-A, San Juan County, New Mexico, NMPM.

We have reviewed the analysis presented in your application and agree that downhole commingling is a viable alternative to prematurely abandoning this well.

We hereby approve downhole commingling of the Pictured Cliffs and Fruitland Coal formations as submitted in your application.

If you have further questions regarding this matter, please contact Brian W. Davis at (505) 599-6367 or (505) 599-8900.

Sincerely,

/s/ Duane Spencer
