Subject: New Mexico Gas Company
Annual Temporary Permission to Discharge Hydrostatic Test Water HBP-022

Dear Mr. Jones,

As required by Condition 10 of Permit HBP-022, New Mexico Gas Company (NMGC) hereby submits a report summarizing all tests of new pipe with less than 25,000 gallons each. The reporting period is from February 17, 2015 through February 16, 2016.

Please call me at (505) 697-3516 if you have any questions.

Sincerely,

Marcelle Fiedler
Senior Environmental Scientist

Subject: Notification of hydrostatic test under NMGC Annual Temporary Permission HBP-022

Brad,

This is an email notification for a scheduled hydrostatic test-water discharge in Bernalillo County NM:

New Mexico Gas Company (NMGC) will discharge:

- 23,000 gallons of water
- The source water is the City of Albuquerque municipal source
- The discharge location is within: T9N R01E Sec 12

The hydrostatic test discharge is anticipated to take place February 11, 2015. Water will be discharged along the NMGC ROW following the conditions of the NMGC's annual temporary permission HBP-022.

This email fulfills permit condition #3. If you have any questions please call.

Thank you,

Brad

There is a correction in the source of water for this test. It will be from San Ysidro Municipal source and not Cuba
