Administrative Order CTB-678

July 30, 2013

COG Operating LLC  
600 W. Illinois  
Midland, TX 79701

Attention: Brian Moriano:

COG Operating LLC ("COG") is hereby authorized to surface commingle oil and gas production from the Wildcat G-03 S262932E; Bone Spring (**97876**), and from the following Fee leases and wells:

Copperhead Fee A Well No. 1H (**API No. 30-015-38227**), Lot 2, Sect. 31-26 South-29 East  
Copperhead Fee A Well No. 2H (**API No. 30-015-39787**), Unit F, Sect. 31-26 South-29 East

**All in NMPM, Eddy County, New Mexico.**

The commingled oil and gas production from the wells detailed above shall be measured and sold at the Central Tank Battery (CTB), located at the copperhead Fee A Well No. 1H in Lot 2, Section 31, Township 26 South, Range 29 East, NMPM, Eddy County, New Mexico.

The oil and gas production shall be allocated by the subtraction method. The continuously measured production from the Copperhead Fee A Well No. 2H shall be subtracted from the total production of the facility to determine the production allocation for the Copperhead Fee A Well No. 1H. The allocation meter shall be calibrated quarterly.

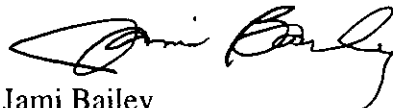

NOTE: This installation shall be installed and operated in accordance with the applicable Division Rules and Regulations. It is the responsibility of the producer to notify the transporter of this commingling authority.

FURTHER: The operator shall notify the Artesia District office of the Division prior to implementation of the commingling operations.
