**REQUEST FOR ADMINISTRATIVE APPROVAL
APACHE CORPORATION'S
JACKRABBIT STATE 9
30-015-42982
1455' FNL & 330' FEL
SECTION 32, T. 17 S., R. 28 E., EDDY COUNTY, NM**

I. This proposed 5,300' deep oil well is on private surface and a State oil and gas lease. The well is nonstandard (174' too far north) for the Artesia; Glorieta-Yeso Pool (96830) due to overhead electric transmission lines (see EXHIBIT A).

Apache requests a nonstandard location due to land uses. The SENE Section 32 is occupied by 1 injection well, 1 gas well, and 2 oil wells operated by LRE, various power lines, and other miscellaneous pipelines, power lines, and roads. In addition, Apache has 2 approved oil wells and COG has an approved sand and gravel pit in the same quarter-quarter.

A standard location must be $\geq 330'$ from the boundary of the quarter-quarter. In this case, it is 156' from the north side of unit letter H.

II. Form C-102 showing the well and 40-acre dedication is attached as Exhibit B. The well is 174' too far north.

III. Lease boundaries are shown on EXHIBIT C. The well encroaches to the north, northeast, and east. Artesia; Glorieta-Yeso dedications exist in unit letter H of Section 32 and 7 bordering or cornering quarter-quarters or lots. Apache operates the Artesia; Glorieta-Yeso wells in 5 of those 6 quarter-quarters (N2NE4 & SWNE Section 32 and SWNW & NWSW Section 33). LRE operates Glorieta-Yeso wells in N2SE4 Section 32. Unit letter D of Section 33 does not have Glorieta or Yeso wells. See Exhibit D. This information is current and correct.

IV. Archaeology is not an issue.

V. Surface issues (power line) and the need to prevent waste and recover additional reserves drive the need for this nonstandard location.

VI. Apache does not believe directional drilling to a standard location is cost effective for this well.

VII. I hereby attest that I, on or before the date that the application was submitted to the division, sent notification to the affected persons (see EXHIBIT E) by certified mail, return receipt requested, advising them that if they have an objection it must be filed in writing within 20 days from the date the division receives the application. These affected persons have working or royalty interests in quarter-quarters that border the 40-acre spacing unit. Said notice was sent to:
