Pogo Producing Co  
PO Box 10340  
Midland TX 79702-7340

December 15, 2004

Reference: AMAX 24-8 Tank Battery      24-23s-31e      2160'FSL 330'FWL

Operator,

Conditions of acceptance of Form C-141 submitted by your company, reporting a release at the above referenced location, is as follows:

Notify NMOCD District 2 office 24 hrs prior to obtaining samples or performing any remediation actions.

Materials removed must be disposed of at an approved disposal facility.

A "Final Report" form C-141 with analytical information attached will be required outlining actions taken to remediate contaminated areas.

Thank you,

A handwritten signature in cursive script that reads "Mike Bratcher".
