The oil production from this well may be transported by truck to the Red Hills Offload Station, located in Unit O, Section 4-T26S-R32E, Lea County, in the event the CTB on lease is over capacity or in the case of battery or pipeline repairs. Oil will remain segregated and will be measured by lact meter when offloading at the Red Hills Station. Notices have been sent to all interest owners as required.

Also, please see the attached Administrative Application Checklist, plats for referenced well, proof of notice to interest owners, diagrams of site facility, map with lease boundaries showing wells and facility locations and a copy of the letter to the New Mexico State Land Office.

Thank you for your attention to this matter.

Sincerely,
