Subject: Release Notification - Devon flow line

Good Afternoon,

This is sent as notification of a release of fluids yesterday (3-19-18) in an amount greater than 25 barrels from a poly flow line. The release occurred at GPS : 32.269294, -103.920730.

Mike, per our discussion, the closest Devon location is the Ice Dancer 30 Federal Com 2H (API # 30-015-39473). XTO will use that information in the initial C-141 submittal. Thanks for your time today and please contact me with any questions. --Kyle
