Oil Conservation Division  
1220 South St. Francis Drive  
Santa Fe, NM 87505

Dear Mr. Catanach

Attached is the Application for Surface Commingling application. This letter is to also confirm our verbal conversation on June 12, 2006, regarding the status of the requirements for lease commingling authorization and verbal authorization for the lease commingling given that Fairway Resources Operating, LLC metered oil and gas separately before connection to the Midnight Matador #1 facility.

If you need further information, please do not hesitate to call me at 817-416-1946 or e-mail [rborkowski@fairwayresources.com](mailto:rborkowski@fairwayresources.com).

Sincerely,
