Attachments:

Michael,
I am simply wondering if you've had a chance to review the application package submitted by Alva Franco, mailed 06/20/06, since we haven't rec'd. any feedback at this point. Please advise if you require any additional information. Since the application was submitted, we've undergone departmental organization and I am now the regulatory representative who is responsible for all SENM drilling/operational issues.

Thank you,
Celeste
