P.O. Box 871
Santa Fe, New Mexico

Dear Mr. Porter:

As Operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well, to be located 1780' from the North line and 220' from the East line of Section 30, T 31 N, R 7 W, San Juan County, New Mexico.

The normal location for this well is situated in the Pine River Canyon. It is, therefore, necessary to select a more suitable drilling site.

Section 30-31N-7W is a part of the Northeast Blanco Unit and the new location, as requested, will present no drainage problem to offset operators.

We enclose a location plat of the requested location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
