Attention: Mr. E. S. Oberly

Administrative Order NSL-166

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Rincon Unit Well No. 41 located 617 feet from the North line and 1000 feet from the East line and in the NE/4 NE/4 of Section 35, Township 27 North, Range 7 West, South Blanco Pictured Cliffs Pool, Rio Arriba County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by a relocation of section lines as a result of a recent United States Cadastral Survey.

By authority granted me under provisions of Rule 4 of the Special Rules and Regulations of the South Blanco Pictured Cliffs Pool, as set forth in Order R-565-C, you are hereby granted an exception to Rule 3 of Order R-565-C for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director
