Attention Mr. A. L. Porter, Jr.,
Secretary Director

Subject: Application for Approval for Unorthodox location for MCA Unit
Well No. 262

Continental Oil Company, as operator of the MCA Unit, hereby requests approval under the provision of Order No. R-2403-A to drill MCA Unit Well No. 262 at a location 2615' from the north line and 25' from the west line of Section 21, T-17S, R-32E, Lea County, New Mexico.

As shown on the attached plat this location is 25' from each of the two nearest quarter-quarter section boundary lines. The well is being drilled in conjunction with our current in-fill drilling evaluation program, and should result in the more efficient recovery of oil in this immediate area.

Since this well is located at least 1/2 mile from the nearest outside boundary of the unit, it is respectfully requested that immediate approval of this location be given.

Yours very truly, (
