New Mexico Oil Conservation Commission (3) P. O. Box 2088
Santa Fe. New Mexico 87501

Attention Mr. A. L. Porter, Jr., Secretary-Director

Gentlemen:

## Application for Approval for Unorthodox Location for MCA Well No. 310

Continental Oil Company, as operator for the MCA Unit, hereby requests approval under the provisions of Order No. R-2403-A to drill MCA Unit Well No. 310 at a location 1295' from the north line and 1365' from the west line (Unit C) of Section 30, T-17S, R-32E, Lea County, New Mexico.

As shown on the attached plat this location is 25' from the nearest quarter-quarter section boundary line. The well is being drilled in conjunction with our current in-fill drilling evaluation program, and should result in the more efficient recovery of oil in this immediate area.

Since this well is located at lease 1/4 mile from the nearest outside boundary of the unit, it is respectfully requested that immediate approval of this location be given.

Yours very truly,

dw
