Administrative ORDER NSL-921

Gentlemen:

Reference is made to your application for approval of a non-standard location for your San Juan 30-5 Unit Well No. 68 to be located 1935 feet from the South line and 735 feet from the West line of Section 25, Township 30 North, Range 5 West, NMPM, Blanco Mesaverde Pool, Rio Arriba County, New Mexico.

By authority granted me under the provisions of Rule 104 F of the Commission Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,

JOE D. RAMEY

Dear Mr. Richardson:

Rule 104(F), Commission Rules and Regulations, requires the notification of all operators of proration or spacing units offsetting the unit for which an unorthodox location is sought. The plat accompanying the subject application indicates that El Paso and Amoco may be north and south offset operators, respectively.

Please clarify this matter for me notifying any offset operators if necessary.

Very truly yours,
