Administrative Order NSL-984

Gentlemen:

Reference is made to your application for a non-standard location for your San Juan 30-6 Unit Well No. 63A to be located 390 feet from the North line and 1410 feet from the West line of Section 15, Township 30 North, Range 7 West, NMPM, Blanco Mesaverde Pool, Rio Arriba County, New Mexico.

As there are no offset operators, the waiting period can be dispensed with.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,
