RE: Filing Spacing Exception
Getty Oil Company
#8 John Charles
930' FNL & 1390' FEL
Section 13 T27N R9W
San Juan County, New Mexico

Harris Mesa Chacra

Dear Mr. Kendrick:

Getty Oil Company is proposing to drill a gas well in the above-referenced location, and hereby request a spacing exception. This unorthodox location is considered necessary because of topographic irregularities. See attached location and elevation plat showing the terrain.

The adjacent owners of this location are as follows:

El Paso Natural Gas Company	American Petrofina Company of Texas
P.O. Box 990	P.O. Box 1311
Farmington, New Mexico 87401	Big Spring, Texas 79720
Mr. John Alhm	Mr. Dick Bott

We have corresponded with both companies in reference to this spacing exception (see attached letters).

We would appreciate your earliest attention to this matter. If I can be of any assistance, please advise.

Very truly yours,

POWERS ELEVATION

Dear Mr. Stamets:

Per your request of July 25, 1979, enclosed find an ownership map showing the ownership of all offsetting leases. Also enclosed are additional copies of the location and elevation plat.

If I can be of any further assistance, please advise.

Very truly yours,

Re: Application for Non-Standard
Location: Getty Oil Company

John Charles Well No. 8

13-T27N-R9W, San Juan County

We may not process the subject application for non-standard location until the required information or plats checked below (is)(are) submitted.

- A plat must be submitted clearly showing the ownership of the offsetting leases.
- A statement must be submitted that offset owners have been notified of the application by certified mail.
- A plat must be submitted fully identifying the topography necessitating the non-standard location.
- Other: Please note that applications of non-standard locations must be filed with the Santa Fe Office of the Division.

Very truly yours,

Section 13 T27N R9W
San Juan County, New Mexico

Dear Mr. Bott:

Getty Oil Company is proposing to drill a gas well in San Juan County, as indicated above.

This location is closer to your lease line than provided for by New Mexico law, but deemed necessary because of topographic irregularities. If you have no objections to this spacing, we would appreciate your notifying the District Office for Northwest New Mexico, Oil Conservation Division, 1000 Rio Brazos Road, Aztec, New Mexico, 87401.

Thank you for taking the time to assist us. If I can be of any further help, please advise.

Very truly yours,
